Rules applicable to insurance with terms less than or more than three hundred and sixty-four (364) days:

- A. If insurance has been in force for three hundred and sixty-four (364) days or less, apply the short rate table for three hundred and sixty-four (364) days of insurance to the full Coverage Period premium determined as for insurance written for a term of three hundred and sixty-four (364) days.
- B. If insurance has been in force for more than three hundred and sixty-four (364) days:
 1. Determine full Coverage Period premium as for insurance written for a term of three hundred and sixty-four (364) days.
 2. Deduct such premium from the full insurance premium, and on the remainder calculate the pro rata earned premium on the basis of the ratio of the length of time beyond three hundred and sixty-four (364) days the insurance has been in force to the length of time beyond three hundred and sixty-four (364) days for which the policy was originally written.
 3. Add premium produced in accordance with items (1) and (2) to obtain earned premium during full period insurance has been in force.

Proof of such incapacity and dependency shall be furnished to the Company: 1) by the Named Insured; and 2) within 31 days of the child's attainment of the limiting age. Subsequently, such proof must be given to the Company upon request following the child's attainment of the limiting age. Hospital also means a place that is accredited as a Hospital by the Joint Commission on Accreditation of Hospitals, American Osteopathic Association, or the Joint Commission on Accreditation of Health Care Organizations (JCAHO). Hospital does not mean: -a Convalescent, nursing, or rest home or facility, or a home for the aged; -a place mainly providing Custodial, Educational, or Rehabilitative Care; or -a facility mainly used for the Treatment of drug addicts or alcoholics.

For a Service Provider who has a reimbursement agreement with the Company, the Reasonable and Customary charge is equal to the amount that constitutes payment in full under any reimbursement agreement with the Company.

If a Service Provider accepts as full payment an amount less than the negotiated rate under a reimbursement agreement, the lesser amount will be the maximum Reasonable and Customary charge.

The Reasonable and Customary charge is reduced by any penalties for which a Service Provider is responsible as a result of that Service Provider's agreement with the Company.

No change in the Certificate shall be valid until approved by an executive officer of the Company and unless such approval is endorsed hereon. No agent has authority to change this Certificate or to waive any of its provisions;
2. **Notice of Claim:** Written notice of claim must be given to the Company within ninety (90) days after the occurrence or commencement of any Disablement covered by the Certificate, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to Seven Corners, or to any authorized agent of the Company, with information sufficient to identify the Insured Person shall be deemed notice to the Company.
3. **Claim Forms:** The Company, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If such forms are not furnished within fifteen (15) days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of the Certificate as to Proof of Loss upon submitting, within the time fixed in the Certificate for filing Proofs of Loss, written proof covering the occurrence, the character and the extent of the Disablement for which claim is made.
4. **Proof of Loss:** Written Proof of Loss, which will include, but not limited to: original signed and dated claim form, original receipts and bills, copies of medical records; must be furnished to Seven Corners, at its said office, within ninety (90) days after the date of such Disablement. In any case, the proof required must be given no later than one (1) year from the time specified except in the absence of legal capacity. The Company at its option may pend resolution and adjudication of submitted claims and/or deny coverage for Proof of Loss submitted thereafter, or for incomplete Proof of Loss and/or failure to submit Proof of Loss.
5. **Payment of Claims:** Subject to any written direction of the Insured Person all or a portion of any indemnities provided by this Certificate on account of Hospital, nursing, medical or Surgical service may, at the Company's option and unless the Insured Person requests otherwise in writing not later than the time for filing proof of such loss, be paid directly to the Hospital or person rendering such services.

7. **Legal Actions:** Any disputes arising from this Certificate or its alleged breach may, if not resolved by the parties, be referred to arbitration by either party pursuant to the commercial arbitration rules of the American Arbitration Association ("AAA"). Either party may make a demand for arbitration and such arbitration shall be conducted in Carmel, Indiana, and judgment on any award rendered in such arbitration may be entered in any state or federal court in Indiana. Notices in connection with such arbitration and process in any judicial proceeding in connection therewith may be served by personal delivery or registered mail on the Company at 303 Congressional Boulevard, Carmel, Indiana 46032 and on the Insured Person(s) at the most current address appearing in the records of the Company, with the same effect as if personally served in Carmel, Indiana.

Arbitration shall be before a single arbitrator jointly selected by the parties hereto. If the parties are unable to agree on an arbitrator within thirty (30) days after the arbitration demand is filed, the AAA shall select the arbitrator. The arbitration filing fee, if any, and fees of the arbitrator shall initially be shared equally between the parties, provided however, that the prevailing party shall be reimbursed for these costs by the non-prevailing party at the conclusion of the arbitration proceeding. Each side shall bear their own legal fees and costs and any other fees associated with participating in the arbitration process. All fees and expenses of the arbitration shall be borne by the parties equally.

The arbitrators are precluded from awarding punitive, treble or exemplary damages, however so denominated. If more than one insured is involved in the same dispute arising out of the same Policy and relating to the same Loss or claim, all such Insured(s) will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insured(s) to assert several, rather than joint, claims or defenses

The refusal of the Insured Person, the Insured Person's Physician, Hospital or Service Provider to make all medical reports and records available to the Company could cause an otherwise valid claim or Application to be denied or the file to be closed due to lack of or limited reply from the Insured Person's medical providers.

Failure on the part of the Insured Person to maintain adequate documentation regarding travel history could cause an otherwise valid claim (where travel history is material to the benefit and claim) to be denied or the file to be closed.

The Company has the option whether or not to consider medical information provided by friends / relatives of the Insured Person as valid for underwriting or claim administration.

13. **Assignment:** The Insurance provided hereunder is not assignable, but benefits may be assigned in accordance with #5, Payment of Claims.

16. **Subrogation:** The Certificate has the right to full subrogation and reimbursement of any and all amounts paid by the Certificate to or on behalf of, an Insured Person, if the Insured person receives any sum of money from any person, plan or legal entity which is legally obligated to make payments arising out of any act or omission of any person whether a third party or another covered person under the Certificate, which directly or indirectly caused a physical or mental condition, in connection with which payment of any benefits under the Certificate to, or on behalf of, such Insured Person was made. The Certificate shall have a lien against such sum of money received from third parties or other persons described above or their insurers, or the insurer of the Insured Person, and shall be reimbursed therefrom. The Insured Person further agrees to notify other persons described above in writing, of the Certificate's subrogation and lien rights before the receipt of any payment from said parties or other persons.
- The Insured Person shall be responsible for all expenses of recovery from such parties or other persons, including but not limited to, all attorneys' fees incurred in collection of such payments or payments by other persons, which fees and expenses shall not reduce the amount of reimbursement to the Certificate required of the Insured Person. The Insured Person agrees to reimburse the Certificate for any benefit paid hereunder, out of any monies recovered from such party or other persons as a result of judgment, settlement or otherwise, even though such monies are not characterized as amounts paid for medical expenses or claims. The Insured Person agrees to furnish such information and assistance, and to execute and deliver all necessary instruments, as the Company or its designee may request to facilitate the enforcement of these subrogation rights, including but not limited to the execution of a subrogation agreement prior to payments of benefits under the Certificate to, or on behalf of the Insured Person.
- The Insured Person shall not release or discharge any party from his or her obligation to the Insured Person or the Certificate or take any other action which could impair the Certificate's subrogation rights. The Certificate's exercise of its rights to take whatever action it sees fit against any third party or other persons shall not affect the Insured Person's right to pursue other forms of recovery.
- If the Insured Person or any one acting on his or her behalf has not taken action to push his or her rights against such parties or other persons to obtain a judgment, settlement or other recovery, the Company or its designee, upon giving thirty (30) days written notice to the Insured Person shall have the right to take such action in the name of the Insured Person to recover that amount of benefits paid under the Certificate; provided, however, that any action taken without the consent of the Insured Person shall be without prejudice to such Insured Person.
- The Certificate's right to reimbursement as set forth herein shall be payable first from sums received from the parties or other persons and such reimbursement shall continue until the Insured Person's obligations hereunder to the Certificate are fully discharged, even though the Insured Person does not receive full compensation or recovery for his/her injuries, damages loss or debt. This right to subrogation pro tanto shall exist in all cases.
- If an Insured Person fails to comply with these requirements, the Insured Person shall not be eligible to receive any benefits, services or payments under the Certificate until there is compliance regardless of whether such benefits are related to the act or omission of such party or other persons.
17. **Fraud and Misrepresentation:** Any misstatement, concealment or fraud in the Applicant's (or Applicant's authorized representative) statements, either on the Application or on subsequent contact (including any claim submissions), whether in writing or otherwise, to the Company or its representatives, shall render this insurance null and void and all claims hereunder shall be forfeited. The insurance benefits provided by this policy are stated in your policy documents and do not include additional benefits required by PPACA. The PPACA requires certain U.S. residents and citizens to obtain PPACA compliant insurance coverage. In certain circumstances penalties may be imposed on U.S. residents and citizens who do not maintain PPACA compliant insurance coverage. You should consult your attorney, insurance agent or tax professional to determine if the PPACA's requirements are applicable to you.
