The Master Policy is effective as of May 1, 2015, and shall remain in effect until terminated in accordance with the Termination of Master Policy section. This Certificate shall be effective as of the Effective Date of Coverage shown on the Declaration, and shall remain in effect until terminated in accordance with the Termination of Coverage for Insured Person section. This Certificate is not part of the insurance contract. The contract is the Master Policy, the Application, and any applicable Riders. This Certificate is merely a description of and evidence of the Insured Person's rights and benefits under the contract. The Declaration likewise is evidence of the coverage under the contract and a statement of the Effective Date of Coverage, subject always to the terms of coverage contained within the contract. The Company hereby recognizes International Medical Group®, Inc., as the Company's authorized representative, and as the Plan Administrator of the Master Policy and this Certificate. Subject to the provisions of the Service of Suit; Venue; Choice of Law; Trial by Court section, all communications, notices and payments to the Company that are required or permitted under the Master Policy and/or as described in this Certificate shall be transmitted through the Plan Administrator, and receipt of same by the Plan Administrator shall be considered receipt by the Company. THIS INSURANCE IS ISSUED PURSUANT TO APPLICABLE SURPLUS LINES LAW. PERSONS INSURED BY SURPLUS LINES CARRIERS DO NOT HAVE THE PROTECTION OF STATE INSURANCE GUARANTY LAWS TO THE EXTENT OF ANY RIGHT OF RECOVERY FOR THE OBLIGATION OF AN INSOLVENT UNLICENSED INSURER.

C. CONDITIONS AND GENERAL PROVISIONS - The following Terms are conditions precedent to the Company's liability under the insurance provided to the Insured Person pursuant to and in accordance with the Terms of the Master Policy, as represented by this Certificate (such insurance being sometimes referred to herein as "this insurance" or "the plan"):

(1) **ENTIRE AGREEMENT** - The Master Policy, including the Application, and any Riders, shall constitute the entire agreement among the Company, the Assured, and the Insured Person. This Certificate, including the Application, the Declaration, and any Riders, is an outline and evidence of the insurance provided by the Master Policy. This Certificate does not extend or change the coverage provided by the Master Policy. The insurance evidenced by this Certificate is subject to all Terms of the Master Policy, including the Application, and any Riders.

(2) **PREMIUM** - Payment of required Premium shall be remitted to the Company

(a) on or before the Due Date(s) specified on the Declaration; and

(3) **PROOF OF CLAIM** - When the Company receives notice of a claim for benefits under this insurance from or on behalf of an Insured Person it will provide the Insured Person with Claimant's Statement and Authorization Forms ("Claim Forms") for filing Proof of Claim. The following items must be submitted by or on behalf of the Insured Person to be considered a complete Proof of Claim eligible for consideration of coverage under this insurance ("Proof of Claim"):

(b) all original itemized bills and statements of services rendered from all Physicians, Hospitals and other healthcare or medical service providers involved with respect to the claim; and

(c) all original receipts for any costs, fees or expenses that have been incurred or paid by or on behalf of the Insured Person with respect to the claim, including without limitation all original receipts for any cash and/or credit card payments.

The Insured Person and/or Physician, Hospital and other healthcare and medical service providers and suppliers shall have ninety (90) days from the date a claim is incurred to submit a complete Proof of Claim, and the Company at its option may pend resolution and adjudication of submitted claims and/or may deny coverage: for Proofs of Claim submitted thereafter; or for incomplete Proofs of Claim; and/or for failure to submit a Proof of Claim; provided, however, that the Company at its option may waive the requirements regarding submission of a new Claim Form for subsequent claims incurred by an Insured Person relating to a continuing Illness, Injury or other medical condition for which a properly completed and signed Claim Form has previously been submitted and received.

Insured Persons shall have sixty (60) days from the date that the notice of denial was mailed to the Insured Person's last known residence or mailing address within which to appeal the determination, and shall have the opportunity to submit written comments, documents, records, and other information relating to the claim. The Company's review will take into account all comments, documents, records, and other information submitted by the Insured Person relating to the claim, without regard to whether such information was submitted or considered in the initial claim determination. Insured Persons must file two (2) appeals of a claim denial prior to bringing any legal action under the contract of insurance. Upon receipt of a written appeal, the Company shall have an opportunity for further reasonable investigation and/or review as set forth in the Explanation or Verification of Benefits section, and will respond in writing as soon as reasonably practicable, and in any event within ninety (90) days from receipt thereof.

The contract of insurance between the Insured Person and the Company as represented by the Master Policy and evidenced by this Certificate shall be deemed issued, finalized and made in Indianapolis, Indiana. Sole and exclusive jurisdiction and venue for any court action or administrative proceeding relating to this insurance shall be in Marion County, Indiana, for which the Insured Person expressly consents. The subjects, risks and benefits of insurance covered by the Master Policy and evidenced by this Certificate are not intended or considered by the Insured Person or the Company (or the Plan Administrator) to be resident, located, or to be performed in any particular State of the United States. Indiana surplus lines law shall govern all rights and claims raised under this Certificate of Insurance.

The Company and the Insured Person consent to personal jurisdiction and venue in the Circuit and/or Superior Courts of Marion County, Indiana, and in the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise appropriate and lawful). All trials regarding any dispute under this insurance shall be exclusively presented to and determined solely by the court as the trier of fact, without a jury. The Company reserves the right, acting by and through the Plan Administrator, to initiate and pursue actions for declaratory judgment and/or other appropriate relief with respect to the validity, binding effect, administration of and/or any dispute or controversy arising under this insurance. In any suit instituted by or against the Company or the Insured Person pursuant to the Terms of this section, the Company and the Insured Person will abide by the final decision of such Indiana court or of any appellate court in the event of an appeal.

Nothing in this section constitutes or should be deemed, considered or understood to constitute a waiver of the Company's rights to: (i) oppose venue, procedural and/or substantive choice of law, personal jurisdiction, or subject matter jurisdiction in any forum other than the Circuit or Superior Courts of Marion County, Indiana, or the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise appropriate and lawful), (ii) commence an action in any court of competent jurisdiction in or outside of the United States, (iii) remove an action to a United States District Court, or (iv) seek transfer of a case to another court or forum as permitted by the laws of such forum or the laws of the United States or of any State in the United States, as applicable; all of which rights are expressly reserved and retained.

Dearie, Jr., Esq., Edwards Wildman, LLP, 750 Lexington Avenue, New York, New York 10022, as its attorney-in-fact and agent for service of process to whom said officer or Commissioner is authorized to mail or serve any such process or a true copy thereof.

For Florida residents only: If any dispute shall arise as under the terms and conditions of this Certificate, such dispute may be referred to arbitration in accordance with the procedures of the American Arbitration Association. Any such arbitration shall be held within 50 miles of the Insured Person's residence, with the Company to pay costs and fees (not including any attorney fees) of the proceeding in excess of \$500.00.

(7) MISREPRESENTATION - Any false representation incomplete information, misleading statement, misstatement, omission, concealment or fraud, whether or not innocently made, either in the Insured Person's Application which forms a part of the Master Policy and this Certificate, or in relation to any claim form, statement, certification or warranty made by the Insured Person or his/her representatives, agents or proxies, whether in writing or otherwise, to the Company or the Plan Administrator or their respective agents, employees or representatives, or in connection with the making of any claim under this insurance, shall render the Declaration and this Certificate null and void and all claims and benefits under this insurance shall be forfeited and waived.

(8) INSOLVENCY - The insolvency, bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors or dissolution of the Assured or any Insured Person shall not impose upon the Company any liability or obligation other than that specifically included in this insurance.

(9) SUBROGATION CLAUSE - The Insured Person shall undertake to pursue in his/her own name and stead, and to fully cooperate with the Company in the pursuit and prosecution of, any and all valid claims that the Insured Person may have against any third party who may be liable or responsible for any loss or damage arising out of any act, omission or occurrence which results or may result in a loss payment, provision of benefits, or coverage of claim by the Company under this insurance, and to fully account to the Company for any amounts recovered or recoverable in connection therewith, on the basis that the Company shall be reimbursed and entitled to recover first in full for any sums paid or to be paid by it before the Insured Person shares in any amount so recovered. The Insured Person further agrees and understands that the Company requires the Insured Person to complete a subrogation questionnaire, sign an acknowledgment of the Company's Subrogation rights and sign an agreement before the Company considers paying, or continues to pay, any claims. Should the Insured Person fail to so cooperate, account, or to prosecute any valid claims against any such third party or parties, and the Company thereupon or otherwise becomes liable or otherwise obligated to make payment under the Terms of this insurance, then the Company shall be fully subrogated to all rights and interests of the Insured Person with respect thereto and may prosecute such claims in its own name as subrogee. The Insured Person's submission of Proof of Claim or acceptance of coverage or benefits under this insurance shall be deemed to constitute an authorization, consent and assignment of such subrogation rights by the Insured Person to the Company. The Insured Person agrees the Company has a secured proprietary interest in any settlement proceeds the Insured Person receives or may be entitled to receive. The Insured Person understands and agrees the Company is entitled to a constructive trust interest in the proceeds of any settlement or recovery. The Insured

Person agrees to include the Company as a co-payee on any settlement check or check from any third party or insurer. The Insured Person agrees he/she will not release any party or their insured without prior written approval from the Company, and will take no action which prejudices the Company's rights. The Insured Person is obligated to inform their legal representative of the Company's rights and lien and to make no distributions from any settlement or judgment which will in any way result in the Company receiving less than the full amount of its lien without the written approval of the Company. Any amount recovered by the Company in accordance with the foregoing shall first be used to pay in full the costs and expenses of collection incurred by the Company, including reasonable attorneys' fees, and for reimbursement to the Company for any amount that it may have paid or become liable to pay under this insurance. Any remaining amounts recovered shall be paid to the Insured Person or other persons lawfully entitled thereto, as applicable. In the event that the Insured Person receives any form or type of settlement and either fails or refuses to abide by the terms of this insurance contract, in addition to any other remedies the Company may have, the Company retains a right of equitable offset against future claims.

Upon effectuation of such cancellation and refund, neither the Company nor the Insured Person shall have any further rights, liabilities or obligations under this insurance. After the Review Period, the following conditions apply if the Insured Person wishes to cancel the insurance:

All claim settlements, payments and reimbursements are subject to the insurance plan shown in the Declaration and all other Terms of this insurance. No healthcare or medical service provider or supplier, or any other third-party, shall have any direct or indirect interest, claim or right of action against the Company under this Certificate, the Declaration or the Master Policy, whether by purported assignment of benefits, subrogation of interests or otherwise, unless first expressly agreed and consented to in writing by the

Company, and notwithstanding the Company's exercise or failure to exercise any option or discretion under this section regarding the method of claim payment. No such provider, supplier or other third-party is intended to have or shall have any rights as a third-party beneficiary under this Certificate, the Declaration, or the Master Policy.

(17) TERMINATION OF MASTER POLICY - The Master Policy can be terminated at any time by either the Company or the Assured by giving at least thirty (30) days written notice to the other and to the Insured Person. Such termination will have no effect on this Certificate prior to the date of the termination, or on eligible coverage or benefits under this insurance accrued prior thereto. No additional Certificates will be issued or further Applications accepted for the plan after the date the Master Policy is terminated.

(18) TERMINATION OF COVERAGE FOR INSURED PERSONS - Coverage and benefits for the Insured Person under this insurance will terminate effective at 12:01 AM, EST, on the earliest of the following dates:

Coverage for the Insured Person shall remain in full force and effect unless terminated pursuant to the provisions of this Termination of Coverage for Insured Persons section, except as otherwise provided in the Master Policy, the Declaration, or this Certificate.

(19) PATIENT ADVOCACY - Neither the Company nor the Plan Administrator shall have any right, obligation, or authority of any kind to ultimately select Physicians, Hospitals, or other healthcare or health service providers for the Insured Person or to make any medical Treatment decisions for or on behalf of the Insured Person, and all such decisions shall be made solely and

exclusively by the Insured Person and/or his/her guardians, family members and treating Physicians and other healthcare providers. Subject to the foregoing, the Company may determine that a particular claim, benefit, Treatment, or diagnosis occurring under or relating to this insurance may be placed under the Company's "Patient Advocacy" program to ensure that Medically Necessary Treatment and supplies are provided in the most cost effective manner. In the event the Company determines that a claim, benefit, Treatment, or diagnosis meets the Company's Patient Advocacy program guidelines, the Company will notify the Insured Person as soon as reasonably practicable, and a Patient Advocate will be assigned to the Insured Person. Thereafter, the Company's Patient Advocate may make evaluations and/or recommendations of Treatment settings and/or procedures and/or supplies that may be more cost effective for the Company and/or the Insured Person. Such recommendations will be made with input from the Insured Person and/or the Insured Person's guardians, family members and treating Physicians and other healthcare providers, and will be made only when it can be reasonably demonstrated that the Medically Necessary Treatment and/or supplies can be provided in a more cost effective manner to the Company and/or the Insured Person. The Company will use its best efforts to evaluate and recommend Treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Insured Person. The Insured Person is under no obligation to accept or follow any of the Company's recommendations. However, if the Insured Person accepts and follows any of the Company's recommendations, the Insured Person agrees to hold the Company and the Company's agents and representatives, including the Patient Advocate, harmless from same, and the Company shall not be held liable or otherwise responsible for any Treatment or supply provided to the Insured Person except for the payment of claims and benefits eligible for coverage under the Terms of this insurance. After the Insured Person has been notified that the claim, Treatment, benefit or diagnosis meets the Company's Patient Advocacy program guidelines, the Company reserves the right, at its option and in its sole discretion without liability, to:

(a) make payment for Treatment and/or supplies which, although not expressly covered under this insurance, may be beneficial to the Insured Person and cost effective to the Company; and/or

(b) deny coverage and/or benefits for any charges, including Eligible Medical Expenses otherwise eligible for coverage but for the Terms of this section, which exceed the amount the Company would have covered had the Insured Person accepted and followed the recommendations of the Patient Advocacy program.

(20) RIGHT OF RECOVERY - In the event of overpayment by the Company of any claim for benefits under this insurance, for any reason, including without limitation because:

(a) all or part of the claim was not incurred by or paid by or on behalf of the Insured Person; or

(b) the Insured Person or any member of the Insured Person's family, whether or not the family member is or was an Insured Person under the insurance plan, is repaid or is entitled to be repaid for all or part of the claim by Other Coverage, for defective equipment or medical devices covered under a warranty, or by or from a source other than the Company; or

(c) all or part of the claim was not eligible for payment or coverage under the Terms of this insurance; or

(d) all or part of the claim was paid or reimbursed based on an incorrect or mistaken application of benefits under this insurance; or

(e) all or part of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider or supplier; or

(f) the Insured Person is not liable or responsible as a matter of law for all or part of a claim.

The Company shall have the right to a refund of and to recover the amount of overpayment from the Insured Person and/or the Hospital, Physician, or other provider of services or supplies, as the case may be. For overpayment of claims, the amount of the refund and recovery shall be the difference between: (i) the amount actually paid by the Company; and (ii) the amount, if any, that should have been paid by the Company under the Terms of this insurance. For all other overpayments, the amount of the refund and recovery shall be the amount overpaid. If the Insured Person or the Hospital, Physician or other provider of services or supplies does not promptly make any such refund to the Company, the Company may, in addition to any other rights or remedies available to it (all of which are reserved): (i) reduce or deduct from the amount of any future claim that is otherwise eligible for coverage or payment under this insurance, to the full extent of the refund due to the Company; and/or (ii) cancel this Certificate and all further coverage of the Insured Person under the Master Policy by giving thirty (30) days advance written notice by mail to the Insured Person at his/her last known residence or mailing address, and offset against the amount of any refund of Premium due the Insured Person to the full extent of the refund due to the Company.

(21) RENEWAL/AMENDMENT - Subject to the Terms of the Termination of Master Policy and Termination of Coverage for Insured Persons sections, an Insured Person whose initial Period of Coverage is at least thirty (30) days can request coverage under this insurance plan to be extended a minimum of five (5) days for up to a 365 day period until reaching a maximum of twenty four (24) continuous months in accordance with and subject to the Terms of the plan then in effect (including the Terms of the then applicable Master Policy) and so long as extension Premium is paid when due and the Insured Person otherwise continues to meet the applicable eligibility requirements of the plan

The Company's commitment and the Insured Person's ability to renew is also subject to termination upon thirty (30) days written notice to the other party prior to the expiration date of the then existing Period of Coverage. The Company reserves

the right in its sole discretion to make changes, additions and/or deletions to the Terms of the Master Policy, this Certificate, extensions or replacements of either, and/or to the insurance plan (including the issuance of Riders to effectuate same) at any time or from time to time after the Effective Date of Coverage of this Certificate, upon no less than ninety (90) days prior written notice to the Assured and the Insured Person ("Notice of Amendment"). The Notice of Amendment shall include a complete description of the changes, additions and/or deletions to be made, the effective date thereof (the "Change Date"), and notice of the Insured Person's cancellation rights as set forth below, and shall be sent first class mail, postage pre-paid, to the last known residence or mailing address of the Insured Person. (22) EXPLANATION OR VERIFICATION OF BENEFITS - In the event of any verbal or telephone inquiry, every attempt will be made to help the Insured Person and his/her healthcare providers and suppliers understand the status, scope and extent of available benefits and coverage under this insurance; provided, however, that no statement made by any agent, employee or representative of the Company or the Plan Administrator will be deemed or construed as an actionable representation, promise, or an estoppel, or will create any liability against the Company or the Plan Administrator or be deemed or construed to bind the Company or to modify, replace, waive, extend or amend any of the Terms of the Master Policy or this Certificate, unless expressly set forth in writing and signed by an authorized agent or representative of the Company. Actual eligibility determinations, benefit verifications, final coverage decisions and claim adjudications, and final payments and/or reimbursements of benefits or claims shall be determined and adjudicated only after or at the time a proper and complete Application and/or Proof of Claim is submitted (as the case may be), an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder received, and all facts and supporting information, including relevant data, information and medical records when deemed necessary or appropriate by the Company, are presented in writing. Appealed claims may be further investigated and/or reviewed. The Terms of the Master Policy govern all available coverage and payments made or to be made. If a definite answer to a specific benefits or coverage question is required for any reason, the Insured Person or his/her healthcare providers may submit a written request to the Company, including all pertinent medical information and a statement from the attending Physician (if applicable), and a written reply will be sent by the Company and kept on file. If the Company elects to verify generally and/or preliminarily to a provider or the Insured Person that an Injury, Illness, diagnosis or proposed Treatment is or may be covered under this insurance, or that benefits for same are or may be available as outlined in this Certificate, any such verification of benefits does not guaranty either payment of benefits or the amount or eligibility of benefits. Final eligibility determinations, coverage decisions, claim appeals, and actual reimbursement or payment of claims or benefits are subject to all Terms of this insurance, including without limitation filing a proper and complete Proof of Claim and complying with the Cooperation section.

D. ELIGIBILITY - If an Insured Person is not eligible, this Certificate is void *ab initio* and all premium paid will be refunded. In order to be eligible and qualified for coverage under this insurance, a person must:

The Company reserves the right to challenge, dispute and/or revoke a prior determination of Medical Necessity based upon subsequent information obtained. Pre-certification is **not** an assurance, authorization, preauthorization, or verification of Treatment or coverage, a verification of benefits, or a guarantee of payment. The fact that Treatment or supplies are Pre-certified by the Company does not guarantee

the payment of benefits, the availability of coverage, or the amount of or eligibility for benefits. The Company's consideration and determination of a Pre-certification request, as well as any subsequent review or adjudication of all medical claims submitted in connection therewith, shall remain subject to all of the Terms of the Master Policy and this Certificate, including exclusions for Pre-existing Conditions and other designated exclusions, benefit limitations and sub-limitations, and the requirement that claims be Usual, Reasonable and Customary. Also, any consideration or determination of a Pre-certification request shall not be deemed or considered as the Company's approval, authorization or ratification of, recommendation for, or consent to any diagnosis or proposed course of Treatment. Neither the Company nor the Plan Administrator (nor anyone acting on their respective behalves) has any authority or obligation to select Physicians, Hospitals, or other healthcare providers for the Insured Person, or to make any diagnosis or medical Treatment decisions on behalf of the Insured Person, and all such decisions must be made solely and exclusively by the Insured Person and/or his/her family members or guardians, treating Physicians and other healthcare providers. If the Insured Person and his/her healthcare providers comply with the Pre-certification requirements of the Master Policy and this Certificate, and the Treatment or supplies are Pre-certified as Medically Necessary, the Company will reimburse the Insured Person for Eligible Medical Expenses up to the amount shown in the Schedule of Benefits/Limits incurred in relation thereto, subject to all Terms of this insurance and the insurance plan shown in the Declaration. Eligibility for and payment of benefits are subject to all of the Terms of this insurance and the insurance plan shown in the Declaration.

(3) LOSS OF COVERAGE/BENEFITS FOR NON-COMPLIANCE WITH PRE-CERTIFICATION REQUIREMENTS - If the Insured Person or his/her healthcare providers do not comply with the foregoing Pre-certification requirements, all Eligible Medical Expenses incurred with respect to said Treatments and/or supplies will first be reduced by fifty percent (50%), the applicable Deductible will be subtracted from the reduced amount, the Coinsurance will then be applied to the remainder of the reduced amount as applicable, and further benefits, if any under the insurance plan shown in the Declaration, will be available only for the remaining balance of the reduced amount thereafter.

(4) EMERGENCY PRE-CERTIFICATION - In the event of an Emergency Hospital admission, Pre-certification must be completed within forty-eight (48) hours after the admission, or as soon as is reasonably possible.

(5) CONCURRENT REVIEW - For Inpatient Treatment of any kind, the Company will Pre-certify a limited number of days of confinement based upon the disclosed medical condition. Thereafter, Pre-certification must again be requested and approved if additional days of Inpatient Treatment are necessary.

(6) APPEAL PROCESS - If the Insured Person disagrees with a Pre-certification decision of the Company, the Insured Person may in writing ask the Company to reconsider the decision and may supply additional documentation to support the appeal. The Company may reconsider its decision based on review of the additional documentation and facts, if any. The

Company will advise the Insured Person of its decision within a reasonable time frame following receipt of additional documentation and facts.

F. UNITED STATES PREFERRED PROVIDER ORGANIZATION (PPO) - The Company, through the Plan Administrator, endeavors to maintain a contractual arrangement with one or more independent Preferred Provider Organizations (PPO) that has established and maintains a network of U.S.-based Physicians, Hospitals and other healthcare and health service providers who are contracted separately and directly with the PPO and who may provide re-pricings, discounts or reduced charges for Treatment or supplies provided to the Insured Person. Neither the Company nor the Plan Administrator has any authority or control over the operations or business of the PPO, or over the operations or business of any provider within the independent PPO network. Neither the PPO nor provider within the PPO network nor any of their respective agents, employees or representatives has or shall have any power or authority whatsoever to act for or on behalf of the Company or the Plan Administrator in any respect, including without limitation no power or authority to: (i) approve Applications or enrollments for initial, renewal or reinstated coverage under this insurance plan or to accept Premium payments, (ii) accept risks for or on behalf of the Company, (iii) act for, speak for, or bind the Company or the Plan Administrator in any way, (iv) waive, alter or amend any of the Terms of the Master Policy or this Certificate or waive, release, compromise or settle any of the Company's rights, remedies, or interests thereunder or hereunder, or (v) determine Pre-certification, eligibility for coverage, verification of benefits, or make any coverage, benefit or claim adjudications or decisions of any kind. It is not a requirement of this insurance that the Insured Person seek Treatment or supplies exclusively from a provider within the independent PPO network. However, the Insured Person's use or non-use of the PPO network may affect the scope and extent of benefits available under this insurance, including without limitation any applicable Deductible, Coinsurance and benefit reduction, as set forth above. An Insured Person may contact the Company through the Plan Administrator and request a PPO Directory for the area where the Insured Person will be receiving consultation or Treatment (therein listing the Physicians, Hospitals and other healthcare providers within the PPO network by location and specialty), or may visit the Plan Administrator's website at <http://myimglobal.com> to obtain such information.
